Selling Your Home? Downsizing?

Need an Appraisal?

RESULTS YOU CAN BANK ON.

An auction is the only true way to capture the value of the finest things on earth. It is also the best way to raise a large sum of money in a short amount of time. Everything is sold on a designated day, at a designated time - that you choose.

Why donate your belongings or have a garage sale, or wait for a realtor to get a long overdue offer on your home?

Don't make any decisions before you know all of the financial opportunities available to you. Call me today and let me show you how auctions and appraisals can make you money. In most cases, within 48 hours after the close of the sale, a check will be issued. All fees and commissions are discussed up front and presented in a written proposal. No hidden costs of any kind.
